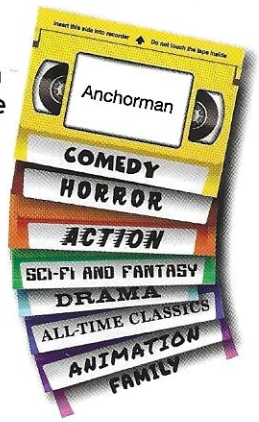
Connaissance de l'anglais nécessaire

How to play Blockbuster movie game

## AIM

Be the first team to collect a movie from all eight genres: Action, All-Time Classics, Drama, Comedy, Horror, Family, Animation, and Sci-Fi & Fantasy.



## SETUP

Split into two teams and assemble the Parking Lot Sign/Board as shown in the picture. Next, place the Buzzer, the board, the Movie Cards and the Head-to-Head Cards in the middle of the table.

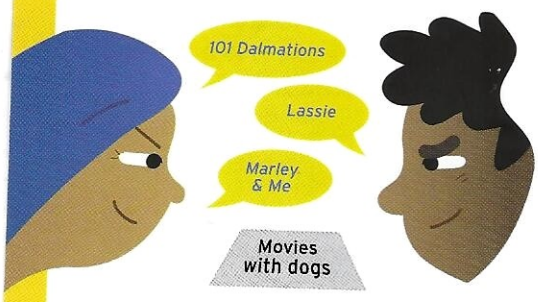
## PLAY

Each team chooses a player to represent them in the Head-to-Head Round.

### The Head-to-Head Round

Both players from each team sit opposite each other with the buzzer in front of them. Count down from three then flip over a Head-to-Head Card. This will reveal a random category, such as 'Movies with dogs'.

The first player to think of a movie with a dog in it shouts it out and presses the buzzer to start the 15-second countdown. Their opponent must now shout out another dog movie and hit the timer before the 15 seconds are up. Now it's back to the first player.



Players keep firing movies at each other like action heroes trading punches, until someone runs out of time. The winner now takes an advantage into the Movie Round.

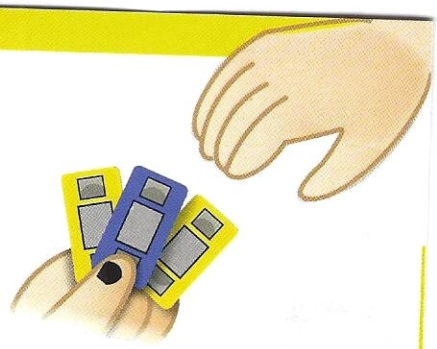
**Important!**

This is a one-on-one battle, so teammates aren't allowed to speak but they can mime clues if they want. Don't be afraid to go over the top.

## The Movie Round

The player who won the Head-to-Head Round draws six Movie Cards from the deck and secretly looks at them.

They give the 'hardest' three to their opponent from the Head-to-Head Round (who keeps them secret from their team) and takes the 'easiest' three for themselves.



Both players must now decide which cards to place facedown on each of their category squares on the Playing Board. This is where it gets tactical. They are:

### One Word Only

Describe the movie to your team using one carefully chosen word. Feel free to repeat until you're blue in the face. For example, for *Shrek*:

*Swamp*

### Quote It

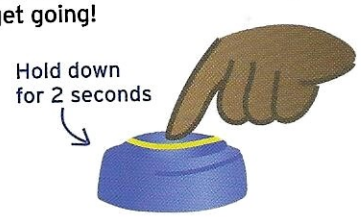
Describe the movie to your team by shouting out a quote. If you don't know one, make it up. For *King Kong*:

*My oh my, what a big monkey that is!*

### Act It

Channel your inner Marcel Marceau and silently act out the movie to your team. No talking allowed. For example, for *Raging Bull*:

When everyone's ready, the player who won the Head-to-Head Round starts. To set the 30-second timer, hold down the buzzer for 2 seconds. As soon as the slower ticking starts, get going!



Players can tackle their three cards in any order they want, and can always come back to one later if their team gets stuck. Once a movie has been correctly guessed, flip the card over. If a player flips over all three of their Movie Cards and still has some time to spare, they can try to steal their opponent's cards by looking at them and describing them in the same way. When the time's up, they add all the Movie Cards they won to their collection.

Now it's the other team's turn. The player who lost the Head-to-Head Round tries to describe them to their team in the same way as before. They can also steal any remaining Movie Cards left by their opponents, but they have to get theirs first.

## Go Again

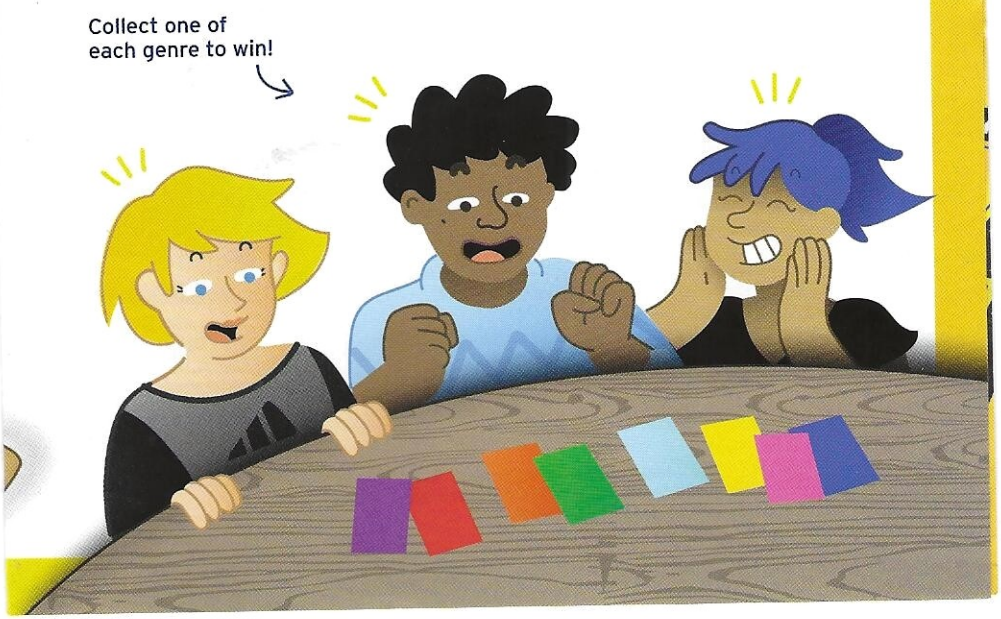
Choose two new players to go head-to-head and start the process all over again.

## Steal Movies

Sometimes, in order to win, you have to fight dirty. At the end of the Movie Round, teams can discard three movies of the same genre and choose a movie to steal from their opponent's collection. Each team can only do this once per round.

## Winning

The first team to successfully collect a movie from all eight genres wins the game.



# EXTRA RULES

## No Sequels

In the Head-to-Head Round, if a player says a Movie that's part of a series, all other movies from the same series are off the table. For example, if a player said *Jurassic Park*, you can't say *Jurassic Park 2* or *Jurassic World*.

## Challenge an Answer

If you suspect a player of saying the wrong movie in the Head-to-Head Round, you can shout out "Challenge," which ends the round immediately. Look up the movie to determine who's right. If the answer was wrong, the challenger wins that round and gets the advantage. If they were right, they get the advantage.

## New Words Only

During the Quote It and One Word Only categories, players can't say words that appear in the title of the film. For example, in *Alien*, they can't say, "Aargh, an alien is busting out of my chest."
